About your task

As a **Purchasing Expert**, your main focus is to **purchase used IT equipment from companies** — helping them recycle sustainably while building strong, long-term client relationships. From the first contact to closing the deal, **you'll be supported step by step and gain real B2B sales and purchasing experience.**

🏆 **Win new customers:** Reach out to companies via phone, email, or in person to introduce our solutions.

🤝 **Build and keep relationships:** Grow your own customer data base and visit clients on-site.

🌍 **Expand your network:** Represent Recyclotronix at exhibitions and conferences across Germany.

About the company

[Recyclotronix GmbH](#) is a young, dynamic company where your ideas matter. Based in Leipzig, we combine tech, recycling, and sustainability — giving IT equipment a second life.

From sorting and testing, to data erasure and data carrier destruction, refurbishing, and final quality checks — every step is designed to guarantee trust, safety, and sustainability.

At Recyclotronix, **we believe technology deserves more than one chance.** Because circular IT is smarter, safer, and greener — for business and for the planet.

About your benefits

At Recyclotronix, your personality matters more than a degree.

Start your career with us, gain hands-on experience, and grow into new opportunities — with benefits that truly support your job-life balance. Plus, you'll be working in Leipzig, one of Germany's most vibrant student and startup cities — the perfect place to build your career.

 **Onboarding that fits** - 1-2 weeks in Leipzig, with travel & accommodation fully covered

 **Relax & recharge** - 24 vacation days

 **Work your way** - hybrid setup with home office & on-site flexibility

 **Save for your future** - capital-forming benefits (VWL)

 **Performance bonus** - clear, realistic goals with extra pay each quarter

 **Christmas bonus** - because we value your contribution

 **Secure contract** - 2-year initial contract, with the option to extend to permanent + pathway to a team lead role

 **Hands-on B2B experience** - build your own customer relationships from day one

 **Grow with us** - paid workshops & training to boost your skills

About your personality

- ☀️ A professional, friendly, and confident attitude.
- 🗣️ Strong communication skills to build lasting customer relationships.
- 😊 Joy in attending exhibitions and events with the team.
- 💡 Creativity, proactivity, and boldness to bring fresh ideas into our dynamic environment.

About your education

No IT sales experience? No problem! What matters most is your enthusiasm, empathy, and drive to connect with people.

🌐 **Languages:** German (C1-C2) & English (basic knowledge)

🎓 **Personality > Degree:** What counts most is your character, effort and motivation.

👐 **Skills:** Extroverted, results-driven, and flexible to thrive in a dynamic team.
